

Marymoor Velodrome Association Board of Directors  
Code of Ethics

As a member of the MVA's Board of Directors, I will uphold the following to the best of my ability with the MVA's mission statement in mind:

- Act with honesty, integrity and openness in all dealings as representatives of the MVA.
- Carry out assigned duties in a timely manner and for the benefit of the MVA and its public purpose.
- Avoid any conflict of interest through disclosure, recusal, or any other means.
- Ensure that all contractors, staff, etc. are performing duties by hiring, firing, and performing reviews as needed.
- Treat members, volunteers, contractors, and program beneficiaries with mutual respect, fairness, inclusiveness, and openness.
- Prudently and responsibly manage the MVA's resources and funds.
- Provide comprehensive and timely information to the public and respond to requests for information in a timely manner.
- Continuously learn from past successes and fails, and commit to improving effectiveness of the program in the future.
- Promote inclusiveness and diversity in all facets of the program.
- Raise funds in a truthful manner, with full disclosure to donors.
- Commit to understand, follow, and stay current on all pertinent laws.
- Respect the right to privacy and use discretion with disclosing information (this applies to donors and other sensitive situations that may arise).
- Attend meetings and perform committee duties.
- Be familiar with, willing to research, and abide by all USAC rules and regulations.
- Complete SafeSport certification and follow its policies and procedures.
